

What's happening?

The TRICARE Retiree Dental Program (TRDP) will end on December 31, 2018. TRDP enrollees will have an opportunity to enroll in the Federal Employees Dental and Vision Insurance Program (FEDVIP), with coverage effective January 1, 2019. FEDVIP offers benefits similar to the TRDP and a choice of plan options and carriers, including Delta Dental who has proudly served the TRDP military retiree community for the last 20 years.

When do I need to take action?

To avoid any disruption in coverage, you'll need to select a new plan during the Federal Benefits Open Season, which runs from November 12, 2018, through December 10, 2018, for coverage effective January 1, 2019. There is nothing you need to do to disenroll from the TRDP, as that will happen automatically at year's end.

Why choose a Delta Dental FEDVIP plan?

We make it easy to take care of your oral health with great benefits, affordable rates, and a large network of dentists nationwide. The same Delta Dental team you have known and trusted for your TRDP dental coverage also supports our FEDVIP plans. What's more, we will allow in-process coverage for TRDP enrollees, so there will be no waiting periods at all when you transition to a Delta Dental FEDVIP plan.

In FEDVIP, Delta Dental offers a choice between two great plans to meet your needs.

- The Standard Plan option offers quality care at a low premium and a per person in-network maximum of \$1,500.
- The High Plan option offers greater coverage and an increased per person in-network maximum of \$30,000, and coverage for adult orthodontics.
- The odds are your dentist is already in-network! Check our FEDVIP dentist directory to find out. Visit providers4you.com/fedvip.
- Preventive care is critical to your overall health and shouldn't cost you anything. That's why it's 100% covered under Delta Dental's FEDVIP plans when you visit an in-network dentist.

How do I select a new FEDVIP plan?

The first opportunity you'll have to enroll in a FEDVIP dental plan is during this year's Federal Benefits Open Season, which runs from November 12, 2018, through December 10, 2018, with coverage effective January 1, 2019. To prepare for Open Season, visit TRICARE.benefeds.com. Here you can find information to research plans, sign up for alerts and reminders, and learn more about FEDVIP.

You'll be able to enroll by phone or online through **BENEFEDS**, which is the government-authorized and U.S. Office of Personnel Management (OPM)-sponsored enrollment portal. BENEFEDS also manages the billing systems and customer service functions necessary for FEDVIP enrollment and the collection of FEDVIP premiums, so they'll handle all of the billing details at the time of enrollment.
