Your signature below acknowledges you have read and understand the following important information:

Amount of payment: The appropriate premium amount will be deducted from your bank account on the seventh of every month or the next business day (depending on your financial institution).

Right to stop automatic payments: You have the right to stop these payments at any time; however, doing so may adversely affect your VADIP enrollment. To stop your automatic payments, contact us at the address above. Phone/written notice of cancellation must be received three business days before the next payment due date. You must provide information for an alternative payment method (i.e., a new bank account) at the time you cancel your current payment method. Failure to do so in a timely manner could result in the termination of your account and a 12-month re-enrollment lockout.

Your responsibility: This EFT arrangement will be terminated if your financial institution refuses payment due to insufficent funds or other reason. Second attempts to deduct payment will not be made using the same payment method information. If we receive information for a new payment method after the attempt to deduct payment has been refused, we will use the new information provided to attempt a deduction for the past-due balance.

I authorize Delta Dental to withdraw funds from my bank account for payment of my monthly dental program premiums according to the terms outlined above. If the above-noted payment date for EFT falls on a weekend or holiday, I understand that the payments may be executed on the next business day. I understand that this authorization will remain in effect until I cancel it by phone or in writing, and I agree to notify Delta Dental by phone or in writing of any changes in my account information or termination of this authorization at least three days prior to the next billing date. I certify that I am an authorized user of this bank account and that I will not dispute the scheduled payments with my financial institution provided the transactions correspond to the terms indicate in this authorization form.
